

AJAY CHETRY

Siang Hostel,
Room no: 263, IITG
Guwahati - 781039, Assam

E-mail: a.chetry@iitg.ernet.in
Alt email: ajaychetry@gmail.com
Phone: +919864033183

OBJECTIVE: Seeking a challenging job that will give me a good opportunity in a competitive and encouraging environment to hone and develop new skills that will be useful for my career and help in contributing my best towards achieving the goals of the organization, with good personal ethics and having full job satisfaction.

EDUCATION:

Class	Year of Passing	Board/University	Division	Percentage/CGPI
M.Tech.(CSE)	2008	IIT Guwahati		9.76/10 (1 st year)
B.E.(CSE)	2005	Gauhati University	First	74.36%
H.S. (10+2) in science	2001	Assam Higher Secondary Education Council	First	63.8% (letter marks: Math)
10 th	1999	SEBA	First	70.8% (letter marks: Adv Math and Science)

COURSES TAKEN IN MTECH:

1. First Semester: Computer System (CN, Compiler, DBMS and OS), Cryptography and Number Theory, Wireless Sensor Networks and Theoretical Foundation of Computer Science.
2. Second Semester: Computer and Network Security, Hierarchical Memory Algorithm, Optimization Methods and Linux Kernel.

ACHIEVEMENTS

1. Paper published in **IEEE conference** (INDICON 2004) held in DEC 2004 at IIT Kharagpur titled “**State Assignment and Selection of Types and Polarities of Flip-flops, for Finite State Machine Synthesis**”.
2. Got a percentile of **98.03** in GATE 2006.

AWARDS

1. Awarded Engineering Merit scholarship & book grant for good performance in undergraduate studies, by the Department of Technical Education Assam, and Assam Engineering College.
2. Got first prize in **Trinity of Neo** (programming contest) in Techniche 2007 held at IIT Guwahati.
3. Got Second prize **KERNEL** (programming and Linux kernel concepts) in Techniche 2007 held at IIT Guwahati.

COMPUTER SKILLS

Languages: C, C++, Java, 8085 Assembly language, HTML, COBOL.

Operating Systems: UNIX, Solaris, Windows 9x, Windows 2000, Windows NT, DOS, LINUX.

Tools: Visual basic, Lex and Yacc

LANGUAGE PROFICIENCY

English :- Read, Write, Speak

Nepali :- Read, Write, Speak

Hindi :- Read, Write, Speak

Assamese :- Read, Write, Speak

Bengali :- Read, Write, Speak

OTHER SKILLS

- Good inter-personnel communication skill.
- Ability to work in a team.

ACADEMIC PROJECTS

- **Second Year Summer Training at IIT-Guwahati**
Wrote C/C++ programs on UNIX platform, to declare examination results, and maintain server-account usernames and passwords. Also designed a website for IIT-G Computer Center, using only HTML tags.
- **6th semester Software Engineering project**
Designed and developed software in Visual Basic, that shows the shortest path between any two places on a map, implementing a modified version of Dijkstra's algorithm.
- **Third Year Summer Training at IIT-Guwahati**
Studied the effect of choosing different flip-flop types of flip-flops and combinational logic, on area requirement of VLSI designs. Used C/C++ on SunOS platform to implement a Genetic Algorithmic approach, on the PARAM 10000 supercomputer. The work got published in **IEEE conference INDICON 2004** held at IIT Kharagpur.
- **B.E. 4th year project**
We further minimized the area of VLSI design of **Finite State Machine** by taking output polarities of the flip-flops into consideration while using Genetic algorithm to get the best possible combination of flip flops and their corresponding output polarities for the minimal area.
- **Term Projects:**
 1. Designed a lexical analyzer and parser for converting a Sql query to C program and then compile and run dynamically created code to get the desired out of the query. (Subject: Computer Systems)
 2. Survey of various Micro payment systems. (Subject: Computer and Network Security)

- **Master of Technology Project**

Title: High Performance Computing Cluster – Job Scheduling and Resource Management

Guide: Prof. Gautam Barua

We focus to develop a clustering solution by improving and integrating existing open source products which addresses different aspects of High Performance Cluster Computing specifically parallel job scheduler and resource manager. This will provide a free and competitive alternative to existing proprietary clustering products. We focus on Maui job scheduler where we propose to add new priority component along with support for fault tolerance system.

EXTRA CURRICULER ACTIVITIES:

- I was a member of the organizing committee of ICDCN conference held at IITG in Dec 2006.
- Represented my hostel in the Debate Competition in IITG.

HOBBIES:

Listening to music, Reading novels and playing cricket.

DATE OF BIRTH: - 26th of September, 1982.

AREAS OF INTEREST:

- Algorithm Analysis and Design, Data Structure
- Networks.
- Operating system.

PERSONAL PROFILE:

Name	Ajay Chetry
Father's Name	Shri Lekh Bahadur Chetry
Gender	Male
Marital Status	Unmarried
Passport Number	F1093138(valid up 20015)
Permanent Address	C/o Lekh Bahadur chetry Jonaki Path, Birubari Guwahati- 781016, Assam, India
E-mail	a.chetry@iitg.ernet.in , ajaychetry@gmail.com
