

Amit Chandrashekhar KulkarniMtech 2nd year

Computer science & engg.

IIT guwahati.

ACADEMIC BACKGROUND

Sr. No.	Course	Year of passing	Percentage Marks	Class	Board\University
1	Mtech(CSE)	2008	8.91 cpi (1 st year)		IIT Guwahati.
2	B.E (CS)	2006	68.67%	Distinction	Pune Univercity (Maharashtra)
3	Diploma(CS)	2003	85.38%	Distinction	Govt. Polytechnic Pune (autonomus)
4	X std	2000	81.33%	Distinction	Maharashtra

MTECH PROJECT

Title :- Implementation of distributed checkpointing for MPI applications

Brief Idea :- This project aims at implementation of distributed checkpointing Protocol for MPI applications running over linux HPC cluster. Blocking coordinated checkpointing protocol is to be implemented for MPICH2 library.

B.E. PROJECT

Title :- Copy protection for installable CD's

Brief Idea :- Formating CD with nonstandard format before writing installation files on it. So that user could only install it, & not copy it.

DIPLOMA PROJECT

Title :- Programmable logic device.

Brief Idea :- Simulation of various logic circuits like gates, encoders, decoders etc in C. External device was used for taking inputs and showing output. C program was placed in place of chip. This s/w can be used in laboratories in place of costly h/w chips.

TERM PAPER

Course : Distributed systems, mtech 1st year

Title of paper : Distributed mutual exclusion algorithms.

Brief Idea : Distributed mutual exclusion is well known problem where no of processes are competing for shared resource (critical section), only one process at a time should be granted entry to critical section at a time. There are many algorithms for this. I proposed two new algorithms for this problem which were satisfying all three properties of Mutual exclusion namely safety, liveness, event ordering.

ACHIEVEMENTS

1. GATE score: 541 2005(CS)
2. 1st prize in national level programming contest (kernel) at IITG 2007.
3. 2nd prize in national level programming contest held at IIT Guwahati 2006.
4. 1st prize in state level programming contest held at D.y. patil college of Engg, Akurdi, Pune, year 2005.
5. 1st prize in state level programming contest held at Walchand college of Engg, Sangali., year 2003.

HOBBIES

I like puzzle solving in free time. I used to solve numerical puzzles, sudokus in newspaper.

Apart from that I like watching and playing games like cricket, table tennis, volleyball. I participated in intra IIT cricket tournament 2 times. This year we won the tournament though. I was the captain of winning team 😊.

PERSONAL PROFILE

Permanent Address	48, nav parivar housing society, Chinchwadgaon Pune 411033.
Current Address	Room no. 49, Siang hostel, IIT guwahati, 781039.
Contact Number	9954089335
Date of Birth	3 nov. 1984
Gender	Male
E-mail	(1) c.kulkarni@iitg.ernet.in (2) amitck2004@yahoo.com
Marital Status	Single
Known Languages	English, Hindi, Marathi.
