

CURRICULUM VITAE

thimma@iitg.ernet.in
m_thimma@yahoo.co.in

THIMMA REDDY MARAMREDDY

CAREER OBJECTIVE

A challenging position in an organization where extraordinary ability of innovativeness and creativity would be needed.

PERSONAL INFORMATION

Date of Birth : 1st June, 1979
Sex : Male
Nationality : Indian
Permanent address : Ravulapuram (post), Dist - Guntur, Andhra Pradesh
Current address : Room no 211, Siang Hostel, IIT Guwahati – 781039

STRENGTHS

Hardworking, Quick learning, Punctuality, Interpersonal Skills and Commitment.

ACADEMIC BACKGROUND

Indian Institute of Technology Guwahati

Master of Technology in Computer Science and Engineering, July 2004 – May 2006

Major Grade Point Average (Computer Science): 9.75/10

Grade Point Average (CGPA after 3 semesters) : 9.25/10

Koneru Lakshmaiah College of Engineering, Vijaywada (Andhra Pradesh)

Bachelor of Technology in Computer Science and Engineering, July 1998 – May 2002

Percentage of marks: 83.3

G.I.P.D.C.E & T (Polytechnic institute), Tirupati (Andhra Pradesh)

Diploma in Computer Science, July 1995 – May 1998

Percentage of marks: 80

Nirmala High School for Boys, Ravipadu (Andhra Pradesh)

Matriculation, March 1995

Percentage of marks: 85.7

COMPUTER SKILLS AND INTERESTS

- Operating Systems: Linux, Windows XP
- Programming Languages: C, C++, SQL
- Software Packages: Borland C++/TC, MS office suite, Oracle8i
- Interests: Playing Table Tennis and Caroms

RESEARCH INTERESTS

My research interests are in Algorithms and databases. These interests have developed by the projects I have been involved with. I am looking forward to work in exciting practical applications.

RESEARCH SUMMARY

Topic **External Memory Graph Algorithms**

Guide

Dr. G.Sajith, IIT Guwahati

Ongoing Masters Thesis (July'05-Apr'06)

- This project focuses on modeling the World Wide Web and developing I/O efficient algorithms for some fundamental graph problems. Currently, I have designed an I/O efficient Second Best Minimum Spanning Tree algorithm. I am also studying TPIE (Transparent parallel I/O Environment) for implementing the I/O efficient algorithms.

PROJECTS UNDERTAKEN

Topic **Search Engine Utilites**

Undergraduate Project (Jan'02-Apr'02)

- This project focuses on developing some utilites using search engine facilities. We developed a simple utility called content based search.

Topic **Compiler Design**

Term Project (Jul'04-Nov'04)

- This project focuses on developing a compiler using lex and yacc utilities.

PRESENTATIONS

- “A survey of routing protocols in Scatternet”, IIT Guwahati
- “PEP tool for verification of parallel and distributed algorithms”, IIT Guwahati
- “Future of Mobile Commerce and WAP”, KLCE (In National Symposium “Infovision”)

EXTRACURRICULAR ACTIVITIES

- Acting as a convener of Siang hostel mess(mess committee consists of 7 members)
- Acted as a convener of FIST(Federation of Information Science Technocrats)
